To: The holders of options granted pursuant to the Van Elle Holdings plc Sharesave Plan 2019 (Sharesave)

Please note that if you hold any options granted under any other Van Elle Holdings plc employee share option plan (for example the company share option plan or the long term incentive plan), you will receive a separate proposal letter in relation to those options.

30 April 2026

Dear Participant

Recommended cash offer for Van Elle Holdings plc by STRABAG UK Limited (a wholly-owned indirect subsidiary of STRABAG SE)

We are writing in connection with the option to acquire ordinary shares (**Van Elle Shares**) in Van Elle Holdings plc (**Van Elle**) granted to you under the Sharesave (**Option**).

If you have already exercised your Option using the normal exercise process you can ignore this letter and do not need to take any further action.

This letter explains the impact of the proposed acquisition of Van Elle by STRABAG UK Limited (**STRABAG UK**), a wholly-owned indirect subsidiary of STRABAG SE, on your Option and the choices you have in relation to such Option.

Enclosed is a form (**Decision Form**) for you to complete and return in relation to the Option held by you, should you wish to accept the Proposal (defined and described below) in respect of such Option. This letter and the Decision Form relate to any Option granted under the Sharesave that you hold.

If you wish to accept the Proposal and realise the value in your Option, you need to complete the enclosed Decision Form in accordance with the instructions set out in it as soon as possible, and return a scan of the entire completed Decision Form to MUFU Corporate Markets at sayetam.cm.mpms.mufg.com by no later than 5pm (UK time) on 29 May 2026.

Unless otherwise defined in this letter and/or the Decision Form, capitalised terms and expressions used in this letter and the Decision Form have the meanings given to them in the Scheme Document (as defined below).

Background

On 9 April 2026, the boards of directors of STRABAG UK and Van Elle announced that they had reached agreement on the terms of a recommended cash offer pursuant to which STRABAG UK would acquire the entire issued and to be issued ordinary share capital of Van Elle (**Acquisition**).

Your Option is normally exercisable for six months after the date on which it became exercisable following the maturity date (unless it lapses earlier under the rules of the Sharesave). Court Sanction will not change the period during which your Option is normally exercisable (i.e. six months following the maturity date). You will still only be able to exercise your Option until the end of this six month period (unless it lapses earlier under the rules of the Sharesave). You will not be entitled to any longer exercise period as a result of the Scheme. **However, please note that you will not be able to exercise your Option via the online portal at <https://www.van-elleshareportal.com/welcome> in the 10 day period leading up to and including Court Sanction.**

Please note that if you do not exercise your Option by the end of the six month period applicable to your Option, it will lapse and cease to be capable of exercise (unless it lapses earlier under the rules of the Sharesave) and your accumulated savings will be returned to you in due course.

You should note that your Option will remain subject to the rules of the Sharesave and, in particular, the provisions relating to cessation of employment, until it is validly exercised; your Option may therefore lapse sooner than the end of the six month period following the maturity date should you cease employment. These are explained under, "What happens if I cease to hold employment with Van Elle?" below. Special rules apply in the case of your death.

STRABAG UK's Proposal

STRABAG UK is proposing that you exercise your Option with effect immediately following Court Sanction (**Proposal**). If you accept the Proposal, the Van Elle Shares that you acquire on exercise of your Option will be acquired by STRABAG UK under the Scheme and you will receive the Acquisition Price for your Van Elle Shares like other Van Elle Shareholders, as described below.

You can accept the Proposal by completing the enclosed Decision Form as soon as possible, and returning a scan of the entire completed Decision Form to MUFGB Corporate Markets at sayeteam.cm.mpms@mufg.com **by no later than 5pm (UK time) on 29 May 2026**. If you do so, you will not need to take any further steps to sell your Van Elle Shares and to receive the sale proceeds which are payable to you pursuant to the Acquisition.

You should note that the decision you make in the Decision Form will only take effect on Court Sanction. Accordingly, if Court Sanction does not occur, the choice that you make on the Decision Form will be of no effect and your Option will continue to subsist in accordance with the rules of the Sharesave and their terms.

If you fail to exercise your Option before it lapses in accordance with its terms, it will lapse and become worthless, and your accumulated savings will be returned to you.

Settlement Arrangements and Timing of Payment of Acquisition Price

If you accept the Proposal by completing the Decision Form, and Court Sanction occurs, following the exercise of your Option in accordance with the Proposal:

- the Exercise Price which is payable by you to exercise your Option will be paid to the trustee of the Van Elle Employee Benefit Trust (**Trustee**) from your linked Sharesave savings account, and any residual amount of your savings will be returned to you;
- the Trustee will immediately following Court Sanction and prior to the Scheme Record Time: (i) be issued new Van Elle Shares by Van Elle to the extent required, and (ii) transfer the beneficial interest in the Van Elle Shares to which you will have become entitled as a result of the exercise of your Option to you, and retain the legal title to such Van Elle Shares on bare trust for you. Upon the Scheme becoming Effective, the Van Elle Shares which are held by the Trustee on your behalf will automatically be acquired by STRABAG UK under the terms of the Scheme and you will be entitled to the Acquisition Price payable by STRABAG UK for these Van Elle Shares like any other Van Elle Shareholder; and
- the consideration which is payable to you pursuant to the Scheme for these Van Elle Shares will be paid to Van Elle on your behalf and will then be paid to you via the Van Elle payroll

(albeit without deduction of income tax). The consideration due to you will be paid to you on the next practicable payroll date following the date that Van Elle receives the consideration on your behalf.

Spouse Transfer

If you exercise your Option and you and your spouse or registered civil partner are subject to UK capital gains tax it may be beneficial to you, from a capital gains tax perspective, to consider transferring the beneficial interest in a proportion of the Van Elle Shares that you acquire on the exercise of your Option to your spouse or civil partner before those Van Elle Shares are sold pursuant to the Scheme.

Further information in relation to the tax implications of spouse/civil partner transfers may be found in the Appendix. The Appendix is not to be treated as personal tax advice to you and we recommend that you obtain your own individual tax advice from a suitably qualified professional before you make any decision regarding electing to transfer the beneficial interest of the Van Elle Shares.

The enclosed Decision Form provides you with an opportunity to make a spouse/civil partner transfer in respect of some of the Van Elle Shares you acquire on the exercise of your Option. If you wish to make such a transfer, you will need to confirm how many Van Elle Shares should be transferred. If you elect to make a spouse/civil partner transfer then the process will be as set out above, but the beneficial interest in the number of Van Elle Shares that you elect to transfer to your spouse/civil partner will take place between the transfer of the beneficial interest of those shares to you and the onward sale of the Van Elle Shares to STRABAG UK. The proceeds will be paid to you on behalf of you and your spouse/civil partner.

UK Tax Treatment

The Appendix to this letter sets out further details of the tax treatment of your Option on the basis that you are UK tax resident. If you reside outside of the UK or are a tax resident in any country other than the UK or otherwise subject to tax in such country, we would strongly recommend that you obtain your own individual tax advice from a suitably qualified professional in relation to the Acquisition.

What happens if I do not accept the Proposal using the Decision Form?

You may choose to exercise your Option in the normal way at any time before it lapses on its terms – i.e. six months following the maturity date (subject always to Van Elle's share dealing code and the terms of the Option). If you wish to do this, please log in to your Sharesave savings account at <https://www.van-elleshareportal.com/welcome> and make an exercise instruction. However, please note that you will not be able to exercise your Option in the 10 day period leading up to and including Court Sanction.

If you exercise your Option before Court Sanction using the normal process, the Van Elle Shares that you acquire on exercise of the Option will be issued before the Scheme Record Time and, whilst you may choose to sell the resultant Van Elle Shares following exercise, if you still hold the Van Elle Shares at the Scheme Record Time, they will be acquired under the Scheme and you will receive the Acquisition Price for each Van Elle Share that you hold, as described above. If you sell some or all of the Van Elle Shares acquired on exercise, the Van Elle Shares will be sold at the market value on the date of sale and the cash proceeds will be paid to you as soon as practicable after exercise (less any applicable fees). You will not receive the Acquisition Price with respect to any Van Elle Shares you sell.

You may exercise your Option in the normal way at any time after Court Sanction but before it lapses on its terms. If you wish to do so, you will need to contact MUFG Corporate Markets, the Sharesave administrator. As noted above, any Option that remains unexercised six months following the maturity date will lapse and will become incapable of being exercised (unless it lapses earlier under the rules of the Sharesave). If your Option lapses, your accumulated savings will be returned to you.

If you exercise your Option after Court Sanction outside of the Proposal, the Van Elle Shares that you acquire on exercise of the Option will not be subject to the Scheme. However, pursuant to an

amendment to be made to the Articles of Association of Van Elle (**Amended Articles**) as part of the Scheme, your Van Elle Shares will be automatically transferred to STRABAG UK (or its nominee) for the same price per Van Elle Share that would have been paid pursuant to the Scheme. The consideration which is payable to you under the Amended Articles for such Van Elle Shares will be paid to Van Elle on your behalf and will then be paid to you via the Van Elle payroll (albeit without deduction of income tax). The proceeds which are due to you will be paid to you on the next practicable payroll date following the date that Van Elle receives the consideration on your behalf. Delaying the exercise of your Option, or not accepting the Proposal in respect of your Option, will therefore not have any effect on the value of your sale proceeds but is likely to delay when you receive such proceeds.

Should you wish to exercise an Option otherwise than by accepting the Proposal, or if you wish to make a different decision in relation to your Option, you should contact Helen Prendergast and MUFG Corporate Markets who will be able to assist you.

You are not obliged to exercise your Option; at any time, you can instead choose to withdraw your savings. If you wish to do this you can log in to your Sharesave savings account and request that your accumulated savings are returned to you.

What happens if the Court does not sanction the Scheme?

The Decision Form will only take effect if the Court sanctions the Scheme. If you complete the Decision Form indicating that you wish to exercise your Option and the Court does not sanction the Scheme, your Option will not be exercised and will continue to subsist subject to the rules of the Sharesave.

In this case, you should consider exercising your Option in the normal way or consider withdrawing your savings.

What happens if I cease to hold employment with Van Elle?

If you cease to be employed by a member of the Van Elle Group, your Option may lapse, depending on the reason for the cessation of your employment and the terms of the Option. The leaver provisions in the rules of the Sharesave or any additional Option documentation relating to the relevant Option will apply and you will be contacted separately if this is relevant. This means that:

- if you leave for any reason other than dismissal for gross misconduct, your Option will remain exercisable until the end of the six month period following the maturity date, to the extent of the savings which you have accumulated to the date of exercise; or
- if you are dismissed for gross misconduct, your unexercised Option will lapse on the date that you leave employment with the Van Elle Group and your savings will be returned to you.

If you have already ceased, or if you, on or following the date of this letter, cease, to be employed by a member of the Van Elle Group, the Acquisition will not extend the period in which your Option may be exercised and nothing in this letter will extend the period during which you may exercise your Option beyond the date upon which your Option lapses in accordance with the rules of the Sharesave.

Special rules apply in the event of death.

Recommendation

The Van Elle Directors, who have been so advised by Peel Hunt LLP (**Peel Hunt**) as to the financial terms of the Proposal, consider the terms of the Proposal set out in this letter to be fair and reasonable in the context of the Acquisition. In providing their advice to the Van Elle Directors, Peel Hunt has taken into account the commercial assessments of the Van Elle Directors. Peel Hunt is providing independent financial advice to the Van Elle Directors for the purposes of Rule 3 of the Takeover Code.

The Van Elle Directors unanimously recommend that you accept the Proposal set out in this letter in respect of the Option that you hold. You should consider your own personal circumstances, including your tax position, when deciding whether to accept the Proposal.

Please note that no officer or employee of Van Elle or STRABAG UK will be able to give you legal, financial or tax advice nor advise you personally on the course of action that you should take in relation to the Option held by you. If you are in any doubt as to the contents of this letter, the course of action you should take, or your tax position, you should seek your own independent professional advice immediately.

Action Required

If you wish to accept the Proposal in respect of your Option, you need to complete the enclosed Decision Form in accordance with the instructions set out in it **as soon as possible** and return a scan of the entire completed Decision Form by email to MUFG Corporate Markets at sayeteam.cm.mpms.mufg.com **by no later than 5pm (UK time) on 29 May 2026**. You should not assume that any further reminder will be sent to you about this deadline.

If you do not wish to accept the Proposal in respect of your Option, you should not return the Decision Form. Should you wish to exercise your Option in the normal manner during the period commencing on receipt of this letter and ending 10 days prior to Court Sanction please log in to your Sharesave savings account at <https://www.van-elleshareportal.com/welcome> and make an exercise instruction. Should you wish to exercise your Option in the normal manner during the period commencing on the Effective Date and ending on the date it will automatically lapse on its terms, subject to the rules of the Sharesave, you will need to contact MUFG Corporate Markets. If you exercise your Option before Court Sanction and separately complete the Decision Form, your Decision Form will be disregarded in respect of that Option.

Please read the Terms and Conditions and the explanatory notes printed on the Decision Form carefully before you complete it.

If you have any queries, you should contact Helen Prendergast at [REDACTED] and / or MUFG Corporate Markets on 0371 664 0321 who will be able to assist you.

Yours faithfully

Appendix

UK Tax Treatment

Summarised below are the generally applicable UK tax implications for the holder of an Option who works, and is resident and domiciled for tax purposes, only in the UK and has worked and been so resident from the date of grant of the Option up to the date of exercise. The summary is based on current legislation and published HM Revenue & Customs guidance as at the date hereof; and assumes you exercise your Option using the Decision Form rather than by any other means. This summary is for guidance only and cannot be relied on as tax advice by any person and no liability is accepted by Van Elle in respect of this summary. The precise tax consequences of exercising your Option will depend on your particular circumstances and, if you are in any doubt, you should consult an appropriate independent professional adviser. If you are resident, domiciled or work in a jurisdiction other than the UK, you should consult a suitably qualified professional adviser to determine your tax position.

Will I have to pay income tax or NICs when I exercise an Option?

No income tax or National Insurance contributions should be payable on the exercise of your Option.

Will there be any tax to pay if I sell the Van Elle Shares resulting from the exercise of my Option?

When your Van Elle Shares are acquired by STRABAG UK pursuant to the Scheme, you will be treated as having disposed of your Van Elle Shares for capital gains tax (**CGT**) purposes.

You will make a capital gain on the disposal of the Van Elle Shares to the extent that the proceeds that you receive for such shares exceeds their base cost. The base cost of the Van Elle Shares resulting from the exercise of an Option should be equal to the aggregate Exercise Price payable to exercise the Option. In this case, as the proceeds for the Van Elle Shares resulting from the exercise of the Option will exceed the aggregate Exercise Price, a capital gain will arise on the amount by which such proceeds exceeds the aggregate Exercise Price paid to exercise the Option.

In practice there should not be any CGT to pay unless your chargeable gains, as reduced by any allowable losses, from all sources for the relevant tax year exceed the annual CGT exemption (£3,000 for 2026/27).

If you believe that your capital gains arising on the sale of the Van Elle Shares that you acquire on the exercise of your Option will exceed the annual CGT exemption, you may wish to consider whether or not to transfer the beneficial interest in some of the Van Elle Shares that you acquire on the exercise of your Option to your spouse or registered civil partner. The reason for this is that the transfer of the beneficial interest in Van Elle Shares to your spouse/civil partner should be treated as a gift which is generally tax free and your spouse/civil partner would inherit the same base cost as you had in such Van Elle Shares. The same CGT treatment described above should apply when your spouse/civil partner sells such Van Elle Shares. Your spouse/civil partner may then be able to use their own annual CGT exemption to reduce any CGT on the disposal of their Van Elle Shares.

The CGT rules are complicated, especially if you are disposing of Van Elle Shares acquired otherwise than pursuant to the exercise of an Option at the same time and you should therefore obtain appropriate tax advice from a suitably qualified professional before you elect to make a transfer of the beneficial interest in any Van Elle Shares you own to your spouse/civil partner.

ANY PARTICIPANT WHO IS IN ANY DOUBT ABOUT THEIR TAX POSITION SHOULD CONSULT AN INDEPENDENT PROFESSIONAL ADVISER.
